

**Closing/Changes to ILCD Website and Archiving Data**

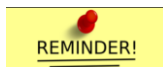

Contact: Your NDE Regional Representative or Adria Bace at [adria.bace@nebraska.gov](mailto:adria.bace@nebraska.gov)

The Office of Special Education Programs (OSEP) is implementing a revised accountability framework designed to more directly support States in improving results for infants, toddlers, children and youth with disabilities, and their families. The Special Education ILCD website is being altered to document requirements of Results Driven Accountability (RDA).

The NDE Special Education Office will close the ILCD site starting August 1 to deploy changes and move to a new server. Our current ILCD system that displays district data around eight INQUIRES including self-assessment ratings by the districts will be archived and no longer available to district staff. If ILCD teams wish to copy their previous year(s) INQUIRY data, it will be available for copying by the districts until **July 31, 2014**. After July 31, districts will not have visible or copying access of their Inquiries from the ILCD website. Previous district File Review data including Corrective Action Plans for Part B and C, Determinations and Performance reports will continue to display on the revised ILCD website.

The ILCD site will re-open the end of August. NDE staff and ESU facilitators will be working with districts throughout the 2014-15 year to implement district requirements for RDA.

If you have any questions, please contact your NDE regional representative or [adria.bace@nebraska.gov](mailto:adria.bace@nebraska.gov)

Contact: NDE Helpdesk (888-285-0556 or [nde.helpdesk@nebraska.gov](mailto:nde.helpdesk@nebraska.gov))

Beginning with the 2014-2015 school year, additional rules will be added to the NSSRS Data Manager file upload process to help ensure quality data. For the most part, these rules replace validation errors that were previously located in the NSSRS Validation website. A list of the new Data Manager rules, along with a list of NSSRS Validation errors being retired, can be found on the NSSRS Resources website at <http://www.education.ne.gov/nssrs/Resources.html>.

We will provide them with the district admin activation code specific to their district. The previous District Admin will also need to be removed.
